

The Core Skills programme has been created by Versus Arthritis to help you gain valuable knowledge through face to face workshops and e-learning programme. This will also contribute to your CPD points.

Workshops

This practical, hands on workshop has been designed to improve confidence in diagnosing and supporting patients with MSK conditions.

It is accredited by BSR and RCGP and allows you to get hands-on with practical case studies. It is worth 7 CPD points.

‘This was the best training I have ever been on... it was fantastic to have GPs teach us as they really understand our needs and the context in which we work. I feel empowered, upskilled and enabled’

Price of workshop:

£100 early bird

£130 standard

Date of workshops:

- 25 Sept & 26 Nov - London
- 23 Oct - Leeds
- 10 Dec - Glasgow

For more information about the 2019 workshop dates and locations and to secure your place please visit coreskillsinmsk.co.uk

E-learning

This programme is worth 5 CPD points and covers the following topics:

- Inflammatory arthritis
- Fibromyalgia
- Osteoarthritis
- Common upper limb conditions
- Gout
- Common lower limb conditions
- Polymyalgia rheumatica
- Back and neck pain

‘Excellent, practical, evidence based - it will change my practice’
